October 11, 2007

Mr. Bell,

Enclosed is a copy of Cass County's contract with Low Associates for property tax software and financial software used by the Auditor's and Treasurer's offices. The original contract signed in 2003 billed for the first year of technical services, an inflated price due to start-up costs. That cost has been billed at \$10,800 for 2006 and 2007. Software support for both systems was billed at \$37,252 for 2005, \$39,220 for 2006, and \$42,204 for 2007.

Also enclosed is a copy of the County's contract with WTH for GIS services. Annual support cost for this service is \$3,500. We paid \$220,000 for conversion of parcel data in 2004.

Sincerely,

Dawn R. Conner  
Cass County Auditor
